

Autumn Exhibition

Featuring 21 members from 7 Dials Artists & Makers Collective

OUT OF THE BLUE

Not all the work you will see in this catalogue is hung on the walls, but it is available on-site for you to view and purchase on request.

Please do ask any of the team if you would like to see any of the pieces in this catalogue.

Welcome to 'Out of The Blue' an exhibition from local collective 7Dials Artists & Makers.

Formed during the pandemic, we came together to support each other following the cancellation of so many shows, including the Artists Open Houses. Over a year later, we have created opportunities in partnership with local businesses, established an online shop and helped publicise all our members via social media.

This exhibition is the culmination of that activity and as well as enjoying the exhibition, please do take the time to discover more about all our Artists and Makers via their social media accounts and websites - we have included these on each Artist's page.

And finally, please do take a look at our website where you will find yet more of our talented members as well as our shop and events listings.

Thank you for visiting and supporting us,
