

OLYMPIC WINTER GAMES BEIJING 2022

Event programme and athlete quota

KEY PRINCIPLES

FRAMEWORK

Respects the overall framework of approximately 2,900 athletes, approximately 100 events

INNOVATION

Creation of new signature events (Monobob, Big Air, Snowboard Cross)

GENDER EQUALITY

Achieve significant improvement on overall gender balance (45,44%)

NEW NORM

Reduction in athlete numbers below Olympic Charter framework, no new venues or fields of play, maximised use of existing venues

GENDER BALANCE

- **1,314** highest number of women ever competing at the Olympic Winter Games
- **46** highest number of women's events ever at an Olympic Winter Games
- **45,44%** highest overall gender balance for the Olympic Winter Games
- Highest number of gender balanced sports and disciplines ever in the Olympic Winter Games

PLUS

- Increase in women's and mixed events
- 7 events added (see 7 Events Additions below)
- 2,892 overall athlete numbers
